Our Why...

Our family and company have been in an industry of serving others for years, and we pray to pass down the passion of service to future generations. Our family is always looking to support our North Mississippi community from serving the church, serving as a first responder, or serving through fire safety. Furthermore, we firmly believe that investing in yourself through higher education and career building is a critical part of life. We aim to help others do just that by awarding three high school seniors a one-time \$1,000 scholarship to invest in their future.
